

HARBOUR CLASSIC 40

Harbour Classic 40

New-Fashioned Nostalgia in 2018

Evoking the elegance and ease of bygone era, the Whitehaven Harbour Classic 40 was born from a serendipitous moment on the water – a yearning for simplicity of style and substance, communion and connection with the sea, a blend of luxury and practicality for entertaining, and a calmer pace of boating.

But don't be beguiled by her genteel appearance, this new model is as revolutionary as she is retro.

Each one will be a customised masterpiece, brought to life for her owners with the personalised approach, precision and pride that are hallmarks of Whitehaven Motor Yachts.

The perfect antidote to today's hectic lifestyle, this 40ft dayboat combines the timeless appeal of a gentleman's cruiser with the benefits of high-tech design and engineering, constructed with an expertly-designed hull for a quieter ride.

The Whitehaven Harbour Classic 40 is the ultimate entertainer, blessed with a generous aft deck with seating for eight, flowing into the spacious saloon and lounge for an optimal social setup.

Below decks, the galley is bathed in natural light and enjoys line of sight to the helm thanks to roomy stairway access portside, and with the option of all the mod-cons of boutique apartment living for a perfect day or weekend on the water.

The single cabin conveys the intimacy of this style of boating, where the owners' priorities are quality time onboard. If family or friends are welcome overnight visitors, you can opt for a dining table-to-bed conversion.

Owners will be inspired to savour their time onboard, with the sheer manoeuvrability of this compact and low-maintenance vessel, thanks to its single engine and joystick control, plus the power to achieve 25 to 30 knots to find that ideal anchorage in time for sunset cocktails.

Due to make her debut in August 2018, the enigmatic Whitehaven Harbour Classic 40 is the definitive entertainer's getaway, destined to become a modern classic, prized for her personality and panache.

The Whitehaven Harbour Classic 40 embodies spontaneous, sophisticated luxury for this stage of 'Your Journey'.
